עץ חיים

In Jewish tradition, the Tree of Life symbolizes many things, including the mystical connection between heaven and earth and the timeless inspiration of our Torah.

Temple Israel's Tree of Life provides an opportunity for you to commemorate joyous occasions in the lives of your loved ones. Moreover with your support, the purchase of leaves, pomegranates and stones will help our community to remain rooted while always aspiring to reach our full potential.

Among other things, you can recognize the birth of a child or grandchild, a Bar or Bat Mitzvah, a graduation, engagement, marriage, anniversary or a special birthday.

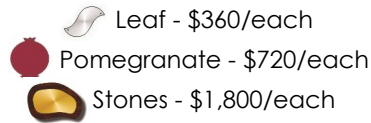

Mark the joy of a life cycle event with a beautiful and permanent dedication to the loved ones in your life. For more information, call the Temple Israel office at 516.482.7800.
